GUIDELINES (Keep this page for your records)

- Please carefully read the following rules and regulations necessary for vendors to participate in this activity.
- Competition between the food trucks will consist of the categories listed in the application. Each truck will prepare items in the category in which they enter to be presented to the judges at the start of the event at 11am in the Yellowstone Room under the Grandstands. A People's Choice vote will also take place; vendors are **strongly encouraged** to have sample-sized portions available for sale for attendees to be able to sample several different foods before placing their vote. This has been a big complaint over the past 2 years that trucks don't have sample sizes for the people to do actual comparisons and vote.
- Trucks must stay open for the duration of the event so should be prepared with enough food to last for the entire time. We had approximately 4,500 in attendance at the event in 2019.
- This is a fundraiser for Veterans organizations. In lieu of a specific amount for an event fee, all participating food trucks are required to donate 10% of their event gross earnings to the Breakfast Exchange Club to be donated to the specified non-profits which will be announced by 3/31/20. This 10% donation is expected to be submitted at the conclusion of the event before the food truck leaves the premises. The event reserves the right to perform an event audit of all participating vendors.
- Participating vendors authorize the event and its committee members to promote their business. Potential promotions include: social media posts and live video, mentions on television and radio interviews, posters, and banners. Vendors also authorize the use of their logo as well as any photographs.
- Vehicles (cars, trucks, etc.) are **not** part of a vendor space. Vehicles must enter the park only as directed to drop off trailers and supplies. BBQ may include a cooker as needed. There will be a designated area on site to park other vehicles.
- Space assignments will be created to be as fair as possible on the best interest of the event. In the event that some spaces become more favorable, a lottery system will be used to decide positioning.
- This application neither implies nor grants any preferential consideration or location.
- Electricity will not be provided unless noted on your application. Fees will be paid at the end of the event. Electricity is limited, organizers requests that if vendors have access to a silent generator that they utilize that. This enhances vendor opportunities and optimizes placement for vendors.
- No roaming vendors. This event is not able to support roaming vendors.
- No cigarettes, cigars or e-cigarettes in the vendor space at any time.
- No pets in the vendor space at any time.
- Vendors must supply all supplies needed to operate booth, i.e., napkins, plates, and cups.
- Vendors are responsible for placing trash in dumpsters and keeping their space neat and sanitary within a 20-foot radius. No disposal of liquid waste from fryers or other food bi-products.
- Water, ice and refrigeration are not provided.
- We will impose a \$50 waste removal fee for any vendor that does not dispose of trash properly in the dumpster.
- Customer service, cleanliness and courtesy must be practiced and observed at all times.
- Vendors must wear clean clothing, shirts with no tears and shoes at all times.
- All participating vendors must be approved by RiverStone Health prior to the event and provide their license number on the vendor application. A temporary food service permit can be obtained by request from RiverStone Health if you do not have a current permit.
- Breakfast Exchange Club members are the only authorized servers of alcoholic beverages on the premises.

- Food vendors shall wear gloves and follow handwashing procedures set forth by RiverStone Health.
- You may not breakdown your booth or tent until event completion. You will be advised as to when tear down can begin.
- All participating vendors must provide certificate of insurance listing the Breakfast Exchange Club as additional insured upon submission of application.
- Vendors shall agree to conduct its activities upon the premises so as not to endanger any person thereon and to indemnify and hold harmless the Breakfast Exchange Club, its officers and members against any and all claims, demands and causes of action, including claims for personal injury and/or death, damages, costs, liabilities, in law or in equity, or every kind of nature whatsoever.
- Event is organized by a committee of volunteer members of the Billings Breakfast Exchange Club. All event decisions will be presented to the committee for approval. The committee reserves the right to make all decisions for the event based upon a consensus between committee members. These decisions include but are not limited to the approval of participating food vendors.
